“ *Carl Hamburger was more than my superior at Gay Plumbing & Heating, he was a mentor and friend. He taught me about the business world and those lessons I have used throughout my life and career. I will never forget him and will treasure those times all my life.*

Sincere condolences to all his family members, he was a fine man.

“ I am so sorry to hear of Mr. Hamberger's passing. I am not sure you will remember me but I am the daughter of William (Bill) and Louise Bacon. Mother lived with me here in NC until her death March 27, 2011 at almost 97 years old. I remember when I was quite young you and Mr. Hamberger gave me a bride doll with a hand made dress for Christmas. I still have that doll, believe it or not. Each time I have moved I just pack it up and move it with me. I still remember the fun times I had with my dad at the shop when he worked for Hamberger Express (much to my mother's horror - not the place for a lady). I also remember the logo on the side of the trucks "Hot dog here comes Hamberger". Funny, 66 years old and I still remember that. I will pray for you and your family during this time of sorrow.
