“ *As a young man growing up in the tumultous 60's, I faced many seemingly obscure challenges that ultimately defined not only my values, but my moral character as an adult. Mr. Onspaugh's influence on my life was a significant factor in the way that I handled those challenges and continues as a foundation for my reasoning. Carl's positive influence on me extends to my family and friends to this day. The lives that I influence because of his examples and leadership, cannot be overstated. I am proud to have known him and I will always remember his wisdom, strength and kindness.*

“ I am startled from my daily existence and deeply saddened to learn of the passing of my friend and mentor, Carl Onsaugh. He will be greatly missed by many, many of us whose lives he touched forever. He was my Scoutmaster when I was young, but more than that - he was an adult whom I respected for his honesty, integrity, and kindness. I knew that Carl Onspaugh truly lived all 12 points of the Scout Law. His example motivated me in large part to persevere and earn my Eagle, along with his son Mark, my best friend. I grieve for Mark and for all those who miss Carl.
