David and family. I knew Carla in school, she was such a sweet girl. I was shocked when I heard she had passed. I thought she had beaten the odds but I guess God had plans for her. I know she is with Michael and they are both watching over the family. Prayers for your and Carla's family. Patricia Ingram

“ David, My heart is breaking for you and the family. Carla will always have a place in my heart. We were students of DHS, and became reacquainted when she and my sister, Cindy, worked together. I would not have wished this pain upon you, because I've been where you are. All I can say is...she and Cindy are now joined together again in a peaceful, loving and no pain home with our Lord. May the peace and understanding of this eventually come to you through your faith. Love, Martha Hornsby Randolph
