“ I am so sorry to hear about Bro. Carlton. I love each one of you and know that God's grace is sufficient. You were so blessed to have your dad so long. You are a special family to my family. Our Pastor (Tommy Powell from Albany) talks about Bor. Ball so often from the pulpit. He was a good fishing buddy to my dad. I miss the good ole days when we could see each other in church and worship together. With all my love...Shirley Musgrove Shockley.
