“ *Michelle,*  
*I'm writing this for my mother who does not have access to a computer, however I know that she would very much want to offer you and your family her deepest sympathy. I know that she was very fond of your mother and will miss the Wednesdays that she and her share at her home. My mother thinks that she was an exceptional employer but a much better person who loved and share with everyone regardless. She was a phenmomenal woman who I know brought my mother alot of joy. Thanks for the memories and you'll always be in our thoughts and prayers.*
