“I am so sorry for your loss. Carol was a wonderful colleague and friend. I first knew her as Katy Singletary's para, then Terri Newcomb's para. We shared many lunchtimes, recesses, and meetings together. She was wonderful at her job and was such a daily witness. She was very dedicated and loved by teachers and students alike. During one of my visits to her home, she taught me how to play "chicken foot". I still play that great game and have her handwritten rules and precise directions for the game! We shared many laughs and stories and I will always have wonderful memories of the great person she was!
