“ Carol was a riot, funny, caring and loving. We went to Ludlow high together and then to Western New England College. Good friend and then we lost touch- a big regret. See you on the other side, Carol.

“ Carol was my best friend and Steve and I loved her dearly. She had a wonderful sense of humor, and was always there to help those in need.

We will miss her visits to Massachusetts, when we always shopped, went to craft fairs and we visited her favorite restaurants. Carol loved our dog, Aiden and taught him how to get on the recliner with her and do other tricks.

We will miss her every day.
