“ *To the whole family: I am so sorry to hear about Carolyn. I just found out a few days ago and I just found this site today. You all know you were like family, and we loved her too. She is at peace now. I know the pain you feel, I lost my Daddy on New Year's Eve and I just lost Bobby on Friday. They are all together in Heaven now and out of their pain. They are in a better place! I love you all!!!*

“ *Carolyn was a good friend and a joy to know. How often we have heard her speak in Sunday School about her closeness to God and how she became "bold in the Lord". How lucky she and Buddy were to share the love they had between them and with their family. She was a special person and we miss her.

“ *I knew Carolyn and Buddy for many years and can recall Carolyn telling us about Buddy leaving little notes around for her to read..but she never said what the notes contained! All of us who knew them knew thy were love notes.
The poem read at the funeral was a great expression of their lives together. My deepest sympathies, Arnold Edwards*
