“ My hands will be lifted in prayers for the family. I know that your loved one will be greatly missed. Pam & Danny Sheets (daughter/husband) I know Ken was a wonderful Father and will be greatly missed by you both. Your Pain will be different form others as you were no doubt Daddy's Little Girl. Always hold tight to his love for you - that my friend will never be taken from you. To the grandchildren, Josh and Andrea Sheets I know the love that a Grandfather has for his Grandkids so I know that his for you was above and beyond. I too know by the tears that I seen in your eyes and hearts that you too loved this man with all your heart. Well, that love lives on through the both of you meaning he is still among us through your love. Brothers and Sisters, what can I say, you knew him for many years and there is so many memories in that treasure chest called the heart. Open it up and share them - that helps in the healing. Shirley, (his wife) to you I will give special prayer for this man was joined to your life 39 years ago and now that is temporally gone from you. A big part of your life has been torn away but I know God will help you with this pain. May His love be directed through you toward your loving and caring family. You were a great and supportive wife. You know, Ken was so much more and now you all have that much more to go to Heaven for. Yes, you will see him again. May God's Grace be with you all in the days to come.

“ *What I remenber most about Gran was his quick smile and the way his eyes always twinkled. He was so such a good grandfather, but more important he was a great man.*
