“ *I?ve only known Ms. Catherine about 5 + years and I?m going to dearly miss her. It was a joy to sit beside her in choir and eat supper with her at church on Wednesday nights. Thank you Ms. Catherine for your testimony and the love of Jesus who lived in your heart. She often shared that no matter what event was happening in her life, she was not worried because the Lord had always looked after her and always met her needs. Her faith was strong and her joy contagious. It?s a blessing knowing that she is now whole and resting in the arms of her Savior, Jesus Christ. God bless and prayers to her family.*

“ *Catherine was one of the most loyal members our organization NARFE had. She was our oldest living president. We will miss her more then words can say. Our prayers are with all of her family.*
