“ We had Easter at our house a few years back and had a house full for lunch and kids running around having a great time. Well these teenage boys (Trey) inxcluded snuck off to a waterhole back in the woods from our house and stripped down to their bare necessitys and jumped in for a nice swim. Lord how mercy my husband, Treys Uncle Steve snuck over there and stole their clothes and left them there to come home in their underwear and Lord how these boys done it and didn't get caught is beyond me. They snuck in our house swiped their clothes out of the truck and came outside to eat fully dressed. I will never forget that day and I will never forget Trey, I love that kid as much as I did his Mom. love you all Sharon and family as well.

“ I have many fond memories of Trey..I met him when he was 4 and he was a dear child to me. He loved Sponge Bob and we watched it together. We went fishing offshore and to ponds around Lee County with his Daddy. He loved to split wood with his Daddy. He loved his pets "Kitty" "T-bone" and "Spot" & "Scout". We took a vacation to the Florida Keys and had so much family fun. He grew up to be a polite & kind young man. He will be missed by me and imprinted my heart in many ways that I will never forget. Rest easy now Trey with your Mama & Daddy. It comforts to know your are reunited in heaven. I will miss you always Trey. I Love You Forever 20
