“ *I loved Ashley from the first time I met him, he and my husband(Bob Hartley, Jr) were wild and crazy together. I love his children like they are my own and will always be here for them. He lived his life the way he wanted it, and I will miss him terribly. RIP my dear friend and cousin, life will not be the same without seeing you around town.*

“ *I am so sad to read this news. I grew up knowing Ashley and Lester through our parents. Cecil (Sr) and my dad were business partners, which brought their children together on numerous occasions. Sending my love and prayers to his family, especially Shirley. 💖*

“Trey I am so so sorry for your loss and can only imagine the pain and heartache you are feeling now. He was one of a kind and had a good heart, just know he loved you Trey in his own little way. May the Lord be with you and ease some of your pain. Let me know if there is anything I can do for you. I love you and you are always welcome to call me, come see me or Cole. I will see you tonight. Love you Aunt Charlene.

Ashley just finished my pole barn just a couple of weeks ago and what fine job he did.

He and Trey have been apart of my family for the last 17 years. My boys are sadden of the news and they grew up calling him pirate because of the way he spoke. What wonderful memories of laughing and great conversation.

I was so sorry to have heard the news too late to say goodbye to my wonderful friend. You will be missed so much!

My prayers are of peace and love to your family and sweet Trey.

I am always here for you Trey and I love you.

Much love and good night until we meet again, my friend.
