“ I graduated from Albany Junior College when Miss Hope was Dean of Nursing. She used to play golf with my husband at Radium Springs. When my mother went to LCHC in April 2008, I had many conversations with Hope, as did my husband. I have continued to go out there on occassion, and always enjoyed talking to her. She played a huge part in the lives of many. I was blessed to have known her. She walks with our Lord now, and you, her family, are in my thoughts and prayers. Skippi Posey
