“ *Charlene was my Nana. She was a wonderful grandmother to her many grandchildren including me. Here is something that I want everyone to read:*

God looked around His garden and He found an empty place. He then looked down upon this earth, and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He always takes the best. He knew that you were suffering, He knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb So He closed your weary eyelids, and whispered, Peace be thine. It broke our hearts to lose you but you didn't go alone, For part of us went with you the day God called you home.

I miss my Nana and I love her!

“ *She will be missed by all who knew her. To have known her was to love her. We comfort in our knowledge that Charlene is now in eternal life with Roger, Kay and all who have preceded her in entering the unending joy of Heaven. Tom and Betty*

“ I'm very saddened to hear of Charlene's passing and offer my deepest sympathies to you and all of her family. Charlene was a great and wonderful person that I liked from the moment I met her. I am the Carpenter that did much of the work and restoration in the basement of her Edmonds house with Robin Kearsley. We were at another job when we heard and were deeply affected by the news. Charlene always treated me as if I were more relative than worker. Her generosity and humility were her forte. I have to believe that God has a plan for us all though I don't understand the why part at times. Charlene's faith in the Lord was the foundation of her strength and helped her through some very tough times. I was blessed to have known her as long as I did and as the Lord has promised us, we will be united once again. Jesus be with you all in the sorrowful time.
