“ We are so shocked and saddened at the news that Gerald sent this morning of Charles' sudden death. Our memories of him go back to the first time we lived in Albany. You guys were kind enough to become our friends. Charles never seemed to change from year to year with his wonderful smile and personality. It will be hard to accept the fact that he is no longer on this earth to touch and talk with; especially with his sudden departure. But he is now in a better place, of course, but that doesn't heal the pain. We offer our deepest sympathy to you, Ann, and to Charlie and Sherry who will miss their daddy so much. Our love, Gene and LaVelle
