“ *Good Day to you all*

Today would have been the 60 year wedding Anniversary of my parents John and Margaret Charles of Kimberley South Africa. My Father was a member of the Kimberley Rotary Club for many years and a long time correspondent of Uncle Charlie. On this anniversary day I was thinking of my parents and thought of Uncle Charlie I Google and discovered that your dear Husband, Father and Grandfather passed away in 2010. Please accept my family's belated heartfelt condolences.

My brother Murray and I have fond memories of Uncle Charlie and were very appreciative of the Christmas gifts received over the years. I am also in proud possession of a lovely piece of wood work which I believe was done by Uncle Charlie.

I remember a visit to Kimberley in the early 1970's by I believe Ann!!!

I hope you receive this message

Kind regards

“ Jean,

We are so sorry for your loss. Your family has meant a great deal to ours for the last five years. Watching our children grow with your grandchildren has been nothing short of a treat. We didn't have the privilege of knowing your dad but the kind of man he was is very evident in the person you are and in Warren's family as well. He was obviously a great man and father. I know he will be missed.
