“ *My condolences to Barbara Logan and family. Bob was one of my best friends. We became acquainted in 1987 when the Sons of Confederate Veterans (SCV) camp was formed in Albany and we were both charter members. We attended many (SCV) events together over the years in Albany and rode together to events in other locations in southwest Georgia. Bob served as adjutant and treasurer for the Albany SCV camp and assisted me with my duties as camp commander. He had an interest in history and genealogy and was a proud descendant of early settlers and residents of Lee County. He was a gentleman and a true Southern patriot. Bob will be missed by all of his many friends. I regret that I have to be out of town and cannot attend Bob's memorial service and funeral on Sunday December 13.*

“ Bob or Bobby was my best friend 1st thru 12 grades of school in Albany. We rode bikes together, fished, boated on the creek, camped out . Bobby was a much better student than I, but he was always willing to help me thru school. He changed the brakes on my old 1952 Chevrolet, helped me deliver the Herald when I cut my foot while jumping into the Kinchafoonee creek. What a wonderful person. His mother and sister Elizabeth many times took us to the fair. What a loss. May God bless you everyday-always.
