“ I am so sorry to find out this way of searching for Chubby's name. It just popped up on Kimbrell-Stern when I did a search on it. He will always be in my heart as my first love. I am so sorry for all of your losses. I pray that he knew the Lord, his savior. I don't know anything about what happened to him and I pray one of you will let me know. He always had a special place in my heart & always will.

*I love you all,
