“ *Mr. Veazey was always the nicest person to work for and with, never a bad word to or about anyone. After 30 years here myself, I know his contributions and service at Phoebe and to healthcare in SOWEGA will be felt for many years yet to come. It was a very, very rare privilege to have known him.*

“ I worked with Mr. Veazey many years at Phoebe Putney. He was not only a pleasant and kind person, but also very knowledgeable about the health care industry. I have missed working with him. Best wishes to his family.

“ Sarah and Family,
I was very sorry to read about Charles' death in the Albany Herald. I did not see the obituary until late, or I would have represented our family at the visitation tonight. Your family is special to us since we are kin on both the Veazey and Hunt sides! I called Mother, Nelda, and she will be in-touch with you later. Our prayers and thoughts are with you and the family.

“ Sarah, Cathy, and family. You are in my heart and prayers during this time. I was so glad I got to see Charles this past summer when he was in Tifton one day with Ralph. He was such a sweet man. May God's love sustain you through the coming days and weeks.
