“ *Mr. Charles lived across the street from us. We have been out of town and just heard the news. We are so sorry for the loss of your dad. He always put news paper clippings in our mail box of my children when they would be in the paper. Such a sweet, sweet man he will be missed. The Blounts*

“ *I had the pleasure of working with Charles for number of years when he was with E&E and I was with the Alcon Associates. I will never forget his quick smile, sense of humor and willingness to help resolve any problem the construction business would throw our way. He was a gentleman in every sense of the word. May God bless his loved ones during this difficult time.pMrwN*

“ I have alot of special memories that I would love to share, but all I can think about is what a wonderful father and grandfather Charles was. He always treated me like his daughter after all he watched me grow up. I met you when I was only sixteen and I loved when you picked on me as a teenager, especially when I would help Greg work on his truck. I will miss you and always will remember you.
