“ I met Charlet about a dozen years ago when Steve, Richard, Bobby and Novack reconnected.

We all had some very happy times together in Saratoga Springs, NY, and Niagra on the Lake, Canada. I remember Charlet as a friendly and joyful woman and I remember Charlet and Steve as a happy couple. In Saratoga, Steve shopped along Broadway with Charlet. They went into boutiques where Steve made selections, and Charlet tried them on. They returned to the hotel with shopping bags filled, and stories about the fun they had.

Charlet retained her joyful spirit even after she became ill. She also demonstrated a strong resolve and courage.

I know that you have been through too much. I hope that the decades of of happy memories will be of some comfort.

*With very warm thoughts and sincere sympathy,
Phyllis Zahnd*

“ To Charlet's Family: she was the most sweet spirited lady I have ever met. Every time she came in Place on the Pointe and the bank, she was smiling and talking to everyone she saw until she got to me. She was a great sales lady because I think I am the only Southern Baptist in Albany that bought the most cookie dough and pizza from her for the Sisterhood! She never asked 'if' you were going to buy something but 'what all' are you going to buy this year. Classic lady made me smile. Deb B

“ Charlet was on the Park Authority Board in 2004 and was therefor one of the people who hired me. We went through some challenging times together as the Authority and the Park struggled with our relationship with the City. She was one of my "pillars of strength" and I will always be grateful for her support and friendship. Her service is one of the reasons the Park enjoys the stability it does today.
