“ *Aunt JoAnn, some of my favorite memories are of the times when you and Uncle Charlie, Anthony and Craig would come to visit in the summer. I loved listening to the two of you talk (how could Mama's brother talk so differently??) and hearing you both laugh. You were both so much fun to be around. I am so thankful that my family and I were able to go to Donna and Fred's a few summers ago to visit with everyone. Our visits were rare as we grew up, but I thought of all of you and asked Mama about you often. I am so glad that Mama has been able to visit with you and Uncle Charlie more these past couple of years. She very much enjoyed those visits, getting to spend time with the two of you. Thank you both for being so good to her. You are both very precious people. There are many people who loved Uncle Charlie and are missing him right now. I hope that he and Donna are sitting at the feet of Jesus now, praising Him and free from pain. Thinking of you, missing you and loving you, Beth*

“ Charlie was a good friend over the last 25 years. I will miss him. He wore the uniform of our country and he is considered a brother by those of us who did the same.
