“ We sense the pain of your loss but know you have many wonderful memories. Gail, you've been a daughter who cared and loved your mother with so many expressions and examples of support. Radley, you were considerate of Gail's need to support by giving Gail the freedom to make Albany her second home. Death hurts and the loss is painful but we know your mother no longer suffers and is in her heavenly home where someday you will see her again. Our thoughts and prayers are with you during this difficult time. Doug and Beverly
