“ My dad was my rock in life. He was the kindest , most handsome , smart , loving man I have ever known . Life will not be the same without him , my heart is broken. I'm so proud to have been a part of his life , he was a huge influence on me . The values and life lessons I learned from him helped shape me into the woman I became . Words can not express how devastated our family is over the loss of my dad .I know he is in heaven now and I have a wonderful guardian angel guiding me .

“ Wanda, our Heartfelt sorrow and prayers go out to you and all your family. Chris was always a Great guy to be around all the years working around each other, always fun and likable guy. I always enjoyed the hours that I got to spend with him fishing. We had a lot of fun picking at each other and a lot of laughs that still bring a smile to my face. He will surely be missed by all that knew him. Godspeed Chris, our prayers are with you.
