“ Chris used to be one of my substitute teachers back in school and one of my regulars at my job. He was a very kind and generous man who always knew how to make me and many others smile and laugh. I will miss seeing and having conversations with him very much. Prayers to the family through this difficult time.

Lamar Lincey - October 22, 2025 at 07:16 PM

Thank you for your kind words and prayers. He did love being a substitute in Lee County. You must work at a coffee shop since you said he was a regular? 😂 Anytime my friends or dance students said they saw my brother I didn't have to guess. I am hearing from so many saying that is where their friendship started. So happy he had so many of the sweetest people in his life.

“ I have known Chris for many years. I was the substitute coordinator for LCSS for more than 20+ years and Chris and I had daily conversations when he was subbing. He used to come and sit in my office to chat up things and make me laugh. He was always so sweet and so kind. He made an incredible impact on those he was around. I am praying for your family and may God wrap his arms around and give you comfort. Chris - I know I will see you again one day!

“ *Chris is and will be dearly missed at the Americus post office. His smile and meek humble spirit will be remembered. In the days ahead I pray his memories will bring peace to your aching hearts. It was such a pleasure meeting you (not under the circumstances) Mrs. Mathis and Stacy. I can definitely see where Chris got his humbleness from. Postmaster Rickayla Jackson Americus post office*

*Thank you for your sweet words and prayers. We so enjoyed meeting you, Katonya, and Linda. We as well wish it was under different circumstances. So happy he was surrounded by such wonderful people while at work! ❤️ We enjoyed hearing what his days were like around there with the naps & missing keys 😂. I can see him doing something like that as far as the keys go. Again, we so appreciate y'all taking the time to come by and share those things with us. It was much needed.*

*Mrs. Mathis, I just heard of Chris passing. I knew Chris when he would sub as my carrier in Cobb back in 2016 or so. We would have nice conversations while he was sorting the mail. Chris was very quiet but so polite. I left the post office and I began to work at the Sumter Board of Education and Chris was the carrier. It was so nice to see his warm smile and catch up. I left the Board. But would still see Chris from time to time. He was the same no matter what. He was just a really sweet young man. It broke my heart to hear. I truly hope you find comfort in knowing how good of a young man you raised and how dearly missed he will be.*
