“ Dear Family-
I knew Chris through the debate team in high school as well. He was a very special guy - a mature gentleman even during the teenage years. But probably the thing that stands out most about Chris was how brilliant he was. We were always going to him for information and to check on whether we were right or wrong. I pray that GOD will bring you all together and allow you to rest in peace and closeness during this time, Blessings- CR, c/o 1990

“ I am so sorry to hear about your loss. Chris and I were friends in high school, traveling with the debate team, going to debate camp together, and playing tennis. He was such a special guy, always there if you needed someone to talk to, serious about school, yet able to enjoy the lighter moments as well. He's had a positive impact on everyone he's come in contact with, and I know your loving memories of him will stay with you forever. You are all in my prayers.

“ I learned of Chris' passing this morning from my mother, who still lives in southern Lee County. She thought she remembered him and asked me if I did as well. I was so shocked at the news.

I got to know Chris on the LCHS debate team. He was quieter than most of the others in the class, yet always willing to help out. A great person all around.

Condolences to the family and prayers on your behalf.

“ Holly, Christopher, and Rowan,
I did not have time to get to know you or Chris very well. I worked in Blood Bank with Chris almost daily for a short time. I have 3 sons so Chris and I shared that common thread. He truly loved his sons. I will always cherish our conversations about the boys. May the Lord comfort you all in your loss. Blood Bank will miss Chris.

“ Chris was a special person when I knew him in high school. We were on the debate team. He was very dedicated to the team, but what was most notable was his character. He always did what was right even as the kids around him were wild and sometimes crazy as all kids are - but he was different and more mature and someone I looked up to and others did as well.

Our prayers are with the family at this time.

“ *I just received the awful news about Chris. Holly, my thoughts and prayers go out to you and your sons. I met you a few times when Chris and I worked the night shift at TMH. He was like a little brother to me, always playing tricks and joking around. I have fond memories of those times and will keep them with me. He was a really great person with a lot of great qualities. He will be missed.*

“ It brings us great sorrow to hear of Chris. I met Chris at Tift Regional Medical Center and he followed me (Patrick) to Phoebe Putney. He was a dear friend of ours and every encounter with him was always a pleasure. He seemed to be a very compassionate and fun loving. I can remember several times when he called me from Disney World telling me how much fun he was having with his kids (Just to make me Jealous). Chris will be deeply missed. His passing has had a great impact on our lives. Time is so precious. It's hard for us to forget him as he was on our last encounter on Saturday Jan. 13, always teasing and laughing. Our thoughts and prayers will be with the family in your time of Bereavement.
