“ I offer my sympathy in the death of Christine Riley Cannon. I would also like to know if her father's name was Ralph? My father was from Arlington and a Ralph Riley was from Arlington also. I think that they were named for the same person. I also think that the Calhoun's and the Riley's were kin. I see in the obituary that one of her sons name is Ralph James. My brother's name is James.

“ I was so sorry to hear about Mrs. Cannon. I knew she was sick but I didn't know she was that sick. She was a truly special lady. And I always enjoyed sitting talking to her when she came to get her streak-o-lean wether for breakfast or for lunch. We truly miss our special friends like her but not the work of the resturant. If there is anything I can do please feel free to call me. And know that ya'll will be in our prayers during this time.  
I don't have an email this is Mark's I'm using.

“ Sweet Bama,  
I will always remember Hope and me being at summer baseball tournaments with Bama. She would drink hot coffee even though it was blazing hot! She was always a Southern lady. I will miss her.
