“ *Katye, Thank you for being there for Mom for many years, especially over the past few months, weeks, days and hours. You were everything to her and I know I speak for Kim when I say we appreciate and love you for all you and Ron have done to make her life as pleasant and as uncomplicated as possible.  
Kim, Thank you for reminding us how laughter is wonderful way to celebrate the memory of someone you love.  
No words will make the heartache go away, but I know that our bond will help us to get passed so much of the sadness. Thank you for being there. I love you both dearly, Dorothy*

“ *I am thinking of you all and cherishing memories of "mom". She made a difference in my life at an important stage, as a role model and with discipline. She could make us laugh too. Even though I am sure we thought it was "lame" at the time. And the food...  
And Tom and I will never forget our wedding cake.*

*My heart aches for you and your loss and hope you all feel better soon. You are in my prayers. God bless Christine Fendya and her family.*

*Love,  
Tom, Kim, Caitlin and Ethan Strong*

“ Kim - just wanted you and Katye and Dorothy to know that i am thinking of you all at this difficult time - and yet smiling too at the many memories of your mom. She was a wonderful and kind person and i feel blessed that i was a part of her life for so long - though it has been many years since i have seen you all - i think back to elementary school and our many summer days playing and hanging out .... your mom was such a great cook, especially during the holidays~ and she always let us help. Kim, im keeping you and all your family in my thoughts and prayers - your mom was a very unique and special person !much love to you all - Lori
