“ Gwen and family,

We are so sorry to hear of the loss of your mom. I never met her or your dad but I know she was a sweet, sweet lady based on how sweet you are. My mom and dad knew both your parents and had nothing but good things to say about them - always.

Please know that you are in our thoughts and prayers as you go through this difficult time. We hope that the wonderful memories you have of her will overshadow the grief in your hearts today.

We love y'all,

Janet and Steve
