“ *Chris was my childhood best friend.I met him when I was 5 years old, right before kindergarten. I will always keep him in my thoughts and miss him dearly. We lost contact for sometime and I tried to reunite w/ him, just to be informed of the tragic news of his passing.Although I believe that Chris has moved on to a much better place,I know his family and friends will miss him dearly and until the day he is reunited w/ them all, I will keep them in my prayers.God Bless.....
Chris I am grateful to have had the chance to know and be friends w/ you! until I see you again, your friend forever- Alysia Craig*

“ I had the best privilege in all, to be married to a wonderful man! I Love Chris so very much and i am so happy to have our beautiful son Danny Ray Brunswick II, It saddens my heart everyday to wake up and know my sons father is no longer here. I miss Chris very, very much. All he ever sayed was that he hops he was around to see his son grow up, but now he is not. All i can do is make sure our son knows his daddy was a wonderful man. Danny is improving everyday. And i dread the day i have to tell danny about his father. I have just begun to grieve for chris and it is very hard. and it seems harder everyday there is not a day that goes by that i do not think of him. I have cried a river missing him eternally. and i am yet again reminded of that everytime i look at our son. He looks just like his daddy and i wouldn't want it any other way. I will always love and miss my sons wonderful father. Christopher William Brunswick

“ *We thank the lord he allowed us to know Chris. Anyone he knew him could not help but to love him. He had such a loving heart and love for life no matter what he smiled through it all. Our hearts go out to the fammily and little Danny. His daddy will always be watching over him and us in heaven beside god. We will forever love and miss such a loveable person until we meet him again in heaven.*

“ *I remember Christopher mostly when he was a toddler. I've seen him on and off throughout the years at family weddings. It saddens me to see all that the family has gone through...losing a mother, father, and now a sibling. I know what it's like to lose a brother, but the loss of your parents as well is not something I can fathom. My heart goes out to Randy, Candy, and Jennifer.*

“ I was saddened to hear of Chris' passing away in the Anchorage Daily news. We lost touch about 6 years ago, as often happens with distance and time. I was a good friend of Chris since he was about 14; lived 5 houses down in Glencaren. I would talk w/ him when he was having difficulties w/ mom and dad and we often talked about the Bible and the Lord. I was Chris' mentor for the AK military youth Challenge Corps and saw him graduate, If there is anything I can do Please ask . I want to give something to Danny's account. I'm sure you all will be raising Danny. I'm an AK licensed foster parent and a Jr. High school teacher here in Anchorage. My # is 907-333-7519 and e-mail is ; PS1to150@hotmail.com Peace and call or write if possible.

“ Chris is what I would call "One in a million" his heart was so pure and he was so full of love, he found a place in my heart many years ago and there is not a day goes by that I dont think of him and how much he cared for me and how much he meant to me. I will miss him more than I already was. I love you Chris. Love , Melissa

“ To Christopher's family - My family's hearts go out to you at your time of loss. We recently lost our 7 week old son, and know that no matter how much time you get with your loved one, it was never enough. Danny will be especially in our thoughts and prayers. Hopefully, he will be able to take comfort in the knowledge that his daddy will be keeping him close from heaven as his guardian angel. That is the message everyone has passed to us and we are finally able to open our hearts to it. God Bless you all and keep you safe.
