“ Chuck, You were a true friend in every way. You accepted everyone just exactly the way they were with no judgement and no criticism. And you opened your home to us for the most amazing 3 month time span of our lives...and we were better friends because of that time together. So Here's To You Chuck, and Those Like You....For There Are Damn Few.

Love Always, Karen & Tommy Joiner

“ To Amy and family, was so sad to hear the news of Chuck's passing! I always enjoyed visiting and felt so welcomed by you both. Though we were connected through business, always felt like our conversations were more as friends! Always found Chuck easy-going and enjoying life. Had been planning to visit in the next month when he had recovered from his recent accident.....heartbroken that I delayed too long!

Please let me know if there is anything that I can do.
