“ There was only one Chuck Persall. While I didn't always agree with Chuck's straight forwardness, it was the very reason I loved him. There was never any question on how or what Chuck thought. I started school with Chuck at Northside School and finished at Albany High School. Even after leaving Albany, I had the privilege of staying in touch via Face Book. We had this on going thing where we accused each other of being the ugliest kid at Northside School. There was a side to Chuck that many may have never known. He was an encourager. Chuck would often send me a private message thanking me for the work I do through The Salvation Army and for God. He would encourage me to keep up the good work. It always seem to come at a time most needed. I love you brother and will miss our Face Book talks. It just doesn't seem real that you won't be on the other end of Face Book. Just remember, we know the truth. "You were the ugliest kid at Northside School."

“ My heart aches and I know all of you feel the same. Chuck was one of the most unique and sincere individuals I have ever known. I will miss his sense of humor, his curiosity about everything in life. He had such passion for his work, whether it be painting on a canvas, building a unique piece of furniture, his green thumb which had the ability to grow most anything and his love of cooking. His hands were truly a gift from God and you could see it in all of the different ways he displayed his artistic abilities. I know that all the Persall family will miss him and I pray that God will wrap you in His arms and comfort you. His friends will miss him as well. We all feel as if we have holes on our chests but that emptiness will fill with wonderful memories over time. There will never be another one like you Chuck....Axel and Vee are glad to have so many, many memories to look back on.

My thoughts and prayers are with the entire Persall family. I pray that you will find comfort leaning on God for support. He always gives us the strength that we need.

I offer my sincerest condolences and hope you find peace knowing that Chuck is now in the most wonderful place of all.

Chuck was one of the kindest and most helpful persons I have ever know. After the flood in 93 Chuck came to my house many times to check on the progress of things and helped out by pumping the water from under our house. He gave me an open invitation to pick from his garden. I enjoyed many a delicious tomato and pots of green beans in season. He loved my cookies and peanut brittle and insisted on thanking Mrs. Curles, not Mrs. Chitty.; He never could think of me as Mrs. Chitty. I loved his voice...so much like his father's and I will miss him terribly. I am so sad to hear about this. My heart aches for you. Nona, and the rest of the family. My love and condolences.
