“ *Mr. Jenkins I have known your daughter Barbara for a number of years, more than 10. We never got to meet physically, but I had heard so many things about the both of you that I realize you and Mrs Jenkins must have been great people. I know this also because Barbara is one of the kindest, most gentle souls, I believe that God set on this earth. My heart has been heavy for her and your family, but I realize that God is always in control and always knows best. Stay strong. The days ahead are hard. But "sorrow endures for a night, joy cometh in the morning".*

“ Mr. Jenkins (I can never call you Bob!)

Paul and I are thinking of you and are so sorry for your loss. You and Claire were always role models for me, especially regarding your commitment and care for each other. I think of you often and owe much of who I am today to your patience and dedication to me as a young adult.

“ I just learned about your loss. Claire was the first supervisor I had when I became employed at Dougherty Co. DFCS. I loved working with her. She was a great person and always talked about Bob and the children with nothing but love. May God bless all of you. She loved that motorcycle!!!

“ My mother, Clara Long, and I extend our prayers and sympathy to all the family. Claire became part of our extended family when my brother, Eugene, married Claire's sister, Jewel many years ago. We always looked forward to their visits on the farm in Illinois. A delightful lady with a southern accent.
