“ *What wonderful memories I will keep in my heart of Susie! She was a friend, a great listener, wonderful advisor. I don't know who I will be able to discuss politics with anymore since she was the only other conservative in the kitchen! Susie was full of love, adored her grand babies, and just a great gentle soul. Rest easy now my friend. Heaven has a beautiful angel.*

“ Her sweet spirit will always be remembered because that was a reflection of her loving heart. She had the ability to make you smile, make you laugh, and make you glad she was a part of your life. Our hearts are heavy with sorrow, and our prayers are with you. Remember her as she was, and let her light continue to shine through you all. Much love and prayers.

I am extremely sorry for your loss. Susie was very special to me. At work she was a great listener, great with advice, and I knew I could share things with her and she would keep it to herself. She was the only other conservative in our kitchen and was the only one I could talk politics with!

What a tremendous loss. She will be missed and has made a huge impact on many lives. Please let me know if I can help you in any way. Take care, remember the wonderful times and laughter you shared. With much love, Sheila Hayes (manager LCHS Cafeteria)

Susie was one of the sweetest and kindest person I have ever had the privilege to know. She had the biggest heart and sweet smile. I got to know her when we worked at the high school together in Leesburg for several years. I have a lot of great memories of Susie that I will cherish always. Joe; we are so sorry for your loss. May God wrap his arms around all of you and give you strength and comfort in this sad time. All our love, Kay & Marlin Poole
