“ *Daddy, I miss you so much still after all these years. You were my best friend, My strength, my ambition, my courage, You gave me it all. I miss you so terribly bad, I feel like I've lost my soul. I pray everyday to our Lord above and our God. He just hasn't answered them yet. I know the time will come. I just keep praying. I miss you so terribly, only you and OUR GOD knows the answers. I just can't see them yet. I miss you so bad. God Pray for me and my family. We are in need of guidance.*

*In Thy Name I pray. Amen*

“Daddy, there is so much I would love to say to you in person. I know in my heart you are still with me, but it's not the same. There is not a day that goes by that I don't think of you. I miss you so bad. All the talks we would have. The advise I would still ask. It's so sad when I can't hear your voice and get that answer anymore. Only just what I know in my heart, what your answer would be. I just want to say to you, "You were the best of DAD'S there could ever have been. I miss you & I LOVE YOU & I always will.

“Papa, I know it's been a while now since you have been gone but I just miss you. I am happy that I had the blessing of knowing you and having you in my life. You made life feel simple because you always made me laugh no matter what. I miss the times we had and our talks. I will cherish your memory for the rest of my life and pass it down to my children. I hope that I can be half the parent and grandparent you always were. Thank you for helping to make my life and me the happy person I am today. I will be seeing you.

“Lawana and family: I know this is very late in coming, but I just found this site. I am so sorry about your Dad. I lost my Daddy New Year's Eve and just lost Bobby Friday morning, so I will be in Albany some time this week. Believe me I know what you are going through. The only comfort we can have is that they are ALL at peace and out of pain. Take care!
