“ *Many years have gone by but the love my family has for all of you is still there. So sorry about "Poppa" leaving us all behind, he was a great man. Love, Karen, Zane and Barry Frakes*

“ *My deepest sympathy to Mrs. Williams, Helen, Missy, and Alice and your families. I have many wonderful childhood memories of Alice and I playing at your house and appreciate Mr. and Mrs. Williams treating me as "one of the family." I will be unable to attend the service but wanted all of you to know you are frequently in my thoughts. My prayers are with you. Nanon*

“ Although I am a retired Marine, my most memorable contacts were as "Mr. Williams - - - customer at Computer Showcase". When he didn't come in to talk about computers, we talked about model trains. What a great attitude he had about life in general. May he rest in peace.
