“ *She was one of the sweetest women I've ever known! I grew up knowing her and seeing her week after week in church. I know she is having the best time in heaven with my Nanny and other members of the Nazarene church who have also went to be with the Lord. My prayers are with her family and friends at this time ♡*

“ *We met Aunt Louise when we moved to Albany 45 years ago. She was a waitress at a restaurant on Mock Rd and her and my mom became quick friends. She's always been a very special part of our lives and will be truly missed. The Berry Family.*

I did not get to spend a lot of time with Aunt Weggie, but I do remember the time she and her guy got my sister and I from our grandparents in Farmington and took us to Kayenta Arizona where they were running a gas station. We had a great time sightseeing and hiked over "Garnet Ridge" and collected garnets. Aunt Weggie reconnected with me and shared family history, grandmas recipies and her jewelry. I love you and will miss you but I know you are happy now , no pain and can breathe again!

Louise was a very special lady. A beautiful Christian and loved by many including me. We attended church together for many years and she and Ralph were so sweet together. She marked her special spot on her church pew with a pillow and when the sound system let out a screech, so did she. She will be missed.
