“ *BooBoo, Michael & Will, I am thankful GOD allowed our paths to cross for Clay to become part of my life His infectious smile and laugh will remain with me always! I loved his energy, and even on his bad days, he would still manage a smile. His passing on will leave a void in all of us, but all we have to do is remember his smile and know we have our very own guardian Angel watching over us. Much love to you!!!*

“ *Melody and I extend our deepest condolences to the entire Barfield/Cooper family at this time of great sadness. Clay was a great guy, and he will be missed for his ever-present smile. He always loved seeing his mother (or any emergency personnel) turn on their emergency lights on their respective vehicles, which they always did without hesitation, just to see the joy in Clay's face.*

May God comfort you all, and may Clay rest in peace.

“ *I did not know Clay for long but he has made a lasting impression on me. From the first day I saw him when he blew me a kiss and said "I Love you" till the last time I saw him in his hot rod with that big smile on his face, he will be remembered as a special person that you really only meet once in a lifetime. Clay, you were an Angel on Earth and now you are an Angel in Heaven. You will be missed by many but our memories of you will sustain us and give us much joy!!!*

“ *It was a pleasure for each of us to have known Clay. Though it was our jobs that brought us into contact with Clay, It was Clay's smile and happiness that made each of us thankful to have the priviledge of knowing him. Our thoughts and prayers are with you.*
