“ *Merrilyn, Duane and family members,  
I was so sad to hear of Clayton's passing. I considered him a friend  
when we both worked at Rose Gaffney in Machias. He was known  
for saying anything and I do mean anything :) to get a good laugh  
during breaks in the teachers' room.  
I hope that all of your wonderful memories of him help you through  
this difficult time. He will be missed.*

*With love and sympathy to all,*

“ *Melanie and the Hall family,  
I am sorry to here about the passing of your father. I know this is a difficult time for you. Know that you are in my thoughts and in my prayer. Melanie, cherish the moments you had with your dad and when you miss him close your eyes and you will know that he's not far away. When the wind blows know that he is giving you a kiss and when you feel goose bumps when you think of him, know that he just gave you a hug. The bible says the Lord had to go to prepare a place for us so that when it was our time we could go be with him, know that your father is in that prepared place and someday you will see him again. Think of him as being on a long vacation, waiting on you to get there :).  
Sincere thoughts.*
