“ Laurie, Donnie & Jennifer, I am so sorry about Clint. He was a special young man, full of energy and laughter and will be so missed. I know that he loved you all because he told me and especially Laurie - there is a special bond between a mother and son (My brother/mom had that special relationship). He is in good hands and I am keeping you all in my heart and prayers.

“ Laurie, Donnie, Jen, Just want you to know how much we cherish our times with Clint. I remember his little hair sticking up and he had that mysterious smile. I remember him being at Max's first birthday party when he returned from? Maine. We have a special picture of Clint and Cody watching Max's football game. Clint was wearing a "FORD" cap. Clint and your family made special memories for Jason, Beth and Max and myself. You always remember what a great boy you had and we always loved him. I also remember Clint and some of the cousins picking Payne Jr. up from school in carpool. They were so happy he could answer their questions. I wish they had spent more time together. Just think how happy Whaley and Shirley are right now.
