“ *I never knew Connie as an adult ... I knew her as the little sister of my dear friend, Sara. There was a group of 5 AHS girls who spent the night together at he Peacock's, the Smith's or at the Cordell's. We always knew Connie was there (smile!).*

I am so impressed to see that she led a very full and giving life, and am not at all surprised! She will be missed by many ... especially her precious families.
