

Mrs. Constance Littleton Houseman

May 13, 1948 - March 26, 2026

Constance “Connie” Littleton Houseman of Albany, GA, was born on May 13, 1948, in Honolulu, HI. She passed away on March 26, 2026. She was a loving mother and “Nana” who was always willing to help family and friends.

Mrs. Houseman grew up in Groton, CT and New Bern, NC. After graduating from New Bern High School, she graduated from the Wilson School of Nursing in Wilson, NC. She worked as a surgical and coronary care nurse in NC before moving to GA where she worked as an occupational health nurse in Bainbridge before moving to Albany when Miller Brewery opened. She worked there as a nurse, fire chief, and safety engineer before her retirement. Throughout her working years, Mrs. Houseman worked supplemental jobs as a fill-in nurse at other local factories and taught CPR classes for the American Heart Association. After her retirement, Mrs. Houseman worked for ACTO (Alzheimer’s Caregiver’s Timeout) and cared for her parents during the last few years of their lives.

Mrs. Houseman loved being a nurse and even inspired several friends to follow her path. Just prior to her passing, she renewed her nursing license for the last time.

In her spare time, Mrs. Houseman enjoyed volunteering for several local agencies: Lions Club (serving as co-president when she passed), Red Cross,

American Heart Association (she was known as “CPR Connie”), March of Dimes, and Albany Amateur Radio Club. She also enjoyed crochet and BBC mystery programs. She loved bright colors, jewelry, sparkle, and fur.

Mrs. Houseman was preceded in death by her 2nd husband Roger Houseman; her parents, William and Lila Littleton; and her ex-husband, Tom Hardison, Sr. She is survived by her son, Tom Hardison, Jr. of Albany (Kathy) and her grandchildren, Trey Hardison of Montgomery, AL (Ellison) and Angie Hardison of Albany; her great-grandchildren, Henry and Ellie Kate Hardison of Montgomery; and many friends from her work and community volunteerism.

The family is thankful for the community at Viva Assisted Living for the care Mrs. Houseman received during the last year and a half of her life.

The family will receive friends at Kimbrell-Stern Funeral Home on Saturday, March 28, from 4:00-6:00 PM. Mrs. Houseman will be interred in the columbarium at St. Teresa’s Catholic Church.

In lieu of flowers, memorial donations may be made to Margaret Jo Hogg Dementia Support Center (formerly ACTO/Alzheimer's Outreach Center), 229 N. Jackson St., Albany, GA 31701.

“ I met Connie at Miller when I traveled from Milwaukee to start up line B3. We kept in touch all these years. It was always great to hear her "southern" accent. She is now with her beloved Roger.

Connie and I went to school together. We have recalled all the great time we had growing up. One of my favorite times was when myself and friends played baseball at Ft. Totten baseball fields she would always be at our games rooting for us all. My mother and her use to sit together and aggravate those poor umpires. I remember Connie had surgery and my daughter Janet was 4 hrs. away and surprised her with flowers that my daughter picked up and drove all the way to her house and walked up to her house and totally surprised her because she had never met her. Janet's opening was to tell that her Daddy sent her bring her flowers and then she looked at her and immediately recognized her and said you are Sandi and John Henry's daughter. So for a quick visit ended up being lunch and 6 hrs. of recalling our school times and showing her our annual pictures. Before Sandi passed away her and Connie became just like sisters. The world is a better place because of our friend Connie Littleton Houseman. Love you Connie and I'll miss you terribly.
