“ *Our sincere sympathy to all the family members of Ms. Foster from myself and all of us in the Norton Healthcare I.S. Department. From talking with Judy I know that Gran is a very special person and has raised a very special Granddaughter. I pray that God gives you all peace and comfort in your loss.*

“ *I am Criss's daughter. You may have known him as Criss, but I know him as Daddy. Since I was a very young child, he has been gone. Just recently, Daddy came back to me and my little brother, Matthew. I was reading his obituary, and it brought me to tears. I am his oldest child, and up until a little while ago, I was his only daughter. In that paper, I am almost the last child mentioned... It breaks my heart. My Daddy loved life, dearly and was an excellent swimmer! In his other obituary, it mentioned how he was swimming across the creek when he stepped in a hole and yelled for help. He was supposedly frightened. My Daddy, would have not stepped in a hole while swimming and then got frightened about it. Trust me. I am very aware of my Daddy's weaknesses and strengths as far as his heart and full of life attitude.*
