“ *Dear Cruger,  
I'm so sorry I wasn't at your service as oceans of circumstances, time, and distance separated us when you passed. Nevertheless, I remember. I shall miss the fishing trips to Ft. Gaines, the tales of your adventures in Belgium during WWII, and especially your humor. I am both sad and glad at your passing. Sad because we will never again share the fun times we had on this earth but glad because I know you are in a better place and know in my heart we will meet again. In the meantime, sleep safe and well in the arms of Christ. Until then, your son-in-law, David*
