“ Dear Pat and Girls, (especially my Johnson girls and Michael)
What a wonderful legacy Mr. Manning leaves for you. His life was one that should be an example for all of us. He loved his sweetheart Pat dearly, you daughters made his walk a little straighter and your grandchildren were the light of his life. Hold tight to each other and the memories he left you with. Be proud of the family history that is yours. hold you heads up higher and your shoulders straighter knowing you follow in his footsteps. Pat what a wonderful friend, and soulmate he must have been for you. It was always a delight to see you two together. I looked forward to your coming in to vote (early.)

Know that you all are in our thoughts and prayers as you walk on through these seemly dark days, but the sun will shine again as you remember this great man. How he loved all of you, and touched so many lives and made such a difference in our world. Because he lived I shawour world is a better place.
