“ Dear Bobbie, Kenny, and the children. I extend the sincere condolences from my brother John, sister Sara and myself for your loss. I remember with great love and fondness the times we had together as children. Watching Curtis and my father play catch back then was a memory I will never forget. He was a real ball player in my mind. Riding the motorcycle with Kenny and Curtis was a highlight. And somewhere in my attic is the steel guitar that Curtis gave me when I was 12 years old. I never learned to play it but I had lots of fun with it.

We will all miss him, but know that we will all see him again.

Love,
Your cousin Tommy
