“ Bucky - what are the odds that I would be looking at the obits today and found your father. I rarely look at the Albany obits! Anyway, my thoughts are with you. My view at 37,000 ft. reveals inverted clouds with the tips of the mts showing as far as the eye can see. I hope heaven is the same!

“ To Bucky, Rob, and all the family,
My thoughts and prayers are with you at this time. Bucky, I remember you as my friend as we did a number of funerals together at Kimbrell-Stern at which I provided the music. And I remember that you were the one who took care of the arrangements for me and drove the family car at the funeral of my dear wife, Margaret, back in 1993.

And Rob, I always remember the time when you were growing up and studied organ with me. You displayed so much talent and ability.

May God be with all of you at this time and in the days that lie ahead.

“ Ed and I want to send our condolences to Bucky and Rob and the family on the loss of their father/grandfather. We knew them as our children went to high school together, and I knew Bucky as I used to play the organ for Kimbrell Stern funerals. It's never easy to lose a parent. May God comfort you at this difficult time.
