“ *Cindy was my sweet loving, caring, cousin who I grew up with, our mothers were sisters. We were very close, and we loved Cindy dearly. She will forever be missed by her family. We hold her close, and will always remember her sweet smile, her laugh, and how much she loved her son, grandson, and sister. May she rest in peace.*

“ So shocked to hear that Cindy had died. Her mother was a resident at Palmyra Nursing Home on the same wing as my father. I also knew her from work. She and I would talk about our parents and share stories and support each other as we fulfilled our role as caregivers for them.

*She was always so sweet to me and I enjoyed visiting with her when we had the time.*

*So, so sad that she is gone. I will miss her, but remember her fondly.*

*Praying for strength for the family and friends she loved.*

“ I'm so saddened to hear of Cindy's passing. I was part of the Thornton Drive kids too. I remember her going thru nursing school and she would come up to my house and my Dad would help her with her Math classes. As years passed, I followed in her foot steps and went to Nursing school and had my shares of troubles. Then I got to work with Cindy in the SICU. She was by far the best and most compassionate nurse I'd ever worked with.

*She will truly be missed. Heaven just received another angel?*

“ I will always remember the fun Cindy and I had during our high school years! Also, the many times that I spent the night at her house and sitting quietly while she rocked and sang her baby (Keith) to sleep. She was such a wonderful and loving mother. I will miss her. All my love to Patsy, Keith, and all of her other loved ones.

“ Patsy, I am so sorry for your loss. You may remember me and my brothers, Bob, Tim and Joel Lewis. We lived across from the Derks on Thornton Drive. There were many days Gayle, the Lamb boys, Susan McCullough and the Minshew kids all played together. I think the girls mostly fussed with the boys (Cindy sure tried to put them in their place), played ball at the field behind our house or threw Chinaberries at each other. I remember hearing the beautiful music coming from the Stowe's window as Jeannie played her piano. May happy memories of Cindy put a smile on your face in the days to come.

“ Patsy,

*Sorry to hear about Cindy' s untimely passing. I have many fond memories of her from the years when we were neighbors. Those wonderful times have flown by since our teenage years, when we didn' t seem to have a care in the world. Tim, Becky, and I were in Albany just a couple of years ago for a DHS reunion and also attended a Thornton Drive Friends reunion. Unfortunately, Cindy was working so we didn' t get to see her after all the years since the 60' s. I know her memory will live on, especially through those who are near and dear to her and I pray that the Lord will bless and keep you and give you strength during this difficult time.*

*Sincerely,*

*Joel*

“ To the Family,

*I am so sorry to hear of Cindy's passing. She was a caring, loving and giving person whose candle burned out way before her memory ever will. Words cannot comfort your grieving hearts. Please know others share your pain and grief. I enjoyed many lunch conversations with Cindy while working at PPMH and we always had a bond talking about our animals. I will continue to pray that God will wrap His arms around you and give you peace and comfort you need at this time and the days ahead.*

“ Patsy & Cindy's family, it is hard to believe that Cindy is no longer with us. I have many good memories growing up on Thornton Drive directly across from the McCorkle's. The Thornton Dr kids had a special bond which still continues. I last saw Cindy @ the DHS reunion last Oct and made her get on the dance floor with me all the while she was insisting that she couldn't dance, but she did. We will all miss her. God's grace to you all.

“ I went to grammar school with Cindy and all the way through high school- lived only a few blocks from her when we were growing up- Had the best time talking with her at the class reunion in October- She wanted to smoke at the reunion and did not want anybody to see her smoking- so I went around the building with her and we ended up talking for about 30 minutes. We talked about getting together.

Your mom was a nice person. Certainly sorry for yall loss. I hate that I will not make visitation or the service- will be having knee replacement This Tuesday.

I will kept yall in my thoughts and prayers.
