“ I was sad to hear of the passing of Bubba. He had recently lived in an apartment adjacent to my son, and they became friends. I got to know him during my early years with the Albany Police Department when I would attend Recorder's Court. The way he treated those in court, and his sense of truly caring about them really impressed me. My prayers go out to his family for comfort in this time of sorrow.

“ I first became acquainted with Judge Stewart as a youthful prosecutor for the Albany Police in Recorders Court. Bubba who was always "Bubba" except when on the bench ,was entertaining to be with whether on the bench or off. Many mornings from 1979 to 1981 I would go to court, argue against "Buddy" Hodges (the public defender at that time) and then go to the Qwickie for coffee with Bubba & Buddy. Bubba had a gift for gab, a ribald sense of humor, a love of life , a sense of fairplay that made him a joy to be around whether I was appearing before him or in later years him appearing before me as judge. Bubba represented his clients fervantly but truthfully. I could always depend on Bubba Stewarts' word as a bond of truth as he understood it! He is missed . John Salter

“ I am so thankful that I had the opportunity to know Bubba. He was a good friend to me and many others and will be greatly missed. The last time I saw him, he invited several of us to visit him at the lake. He said, "Things aren't worth having unless you share them with friends." He was a great person and will be missed.
