“ I worked with Dana for many of his years at Mars and have fond memories as he was my manager for several of them . He was easy going, fair, focused,compassionate and managed to maintain his sense of humor thru it all. He had real leadership skills, something that I don't see anymore. He has been missed since he left Mars and he will be missed now . Cherish the good memories as they will last forever. My prayers are with the family . God Bless.

“ Aunt Audrey, Mickey, Sonya & the rest of the family... You are all in my thoughts & prayers. My heart aches from the flood of emotions I'm filled with. Thank goodness for all the wonderful memories shared & all the laughter that filled the air every time we got together. The times spent at family reunions at the pool or at the little, white, church, playing & cutting up & Aunt Audrey's & the times we spent at your Mom & Dad's house... I will cherish them & you always.

Love you, Starr

“ I met Dana in June of 1983 as an 18 year old "Yankee" coming to co-op at Snackmaster. He was so kind to me and used to love to tease me about being a "city slicker" (I was from outside of Washington DC). One day he was talking about eating pig's ears. I imagined pigs as little pink things - I had only really seen pigs in petting zoos. He was appalled I had never been to a county fair and seen "real" pigs. So off we went to the Dougherty County Fair to see pigs. He proceeded to take charge of my indoctrination into all things southern. He did a great job - I've never moved further north than Atlanta since. He was a true Southern gentleman. Rest in Peace Dana.

“ I worked with Dana for 9 years at M&M/MARS Albany. Our jobs required working closely together to develop plans and schedules for the plant. Dana was always helpful. He balanced the needs of the business with the needs of the associates working under his supervision. He was a great co-worker, a good friend, and an outstanding human being.
